DOCKET NO. WS-04047A-07-0708

MOTION TO SUSPEND TIME CLOCK

On December 19, 2007, Fisher's Landing Water and Sewer Works, LLC, ("Company") filed two separate applications for increases in water and sewer rates before the Arizona Corporation Commission ("ACC" or the "Commission").

On May 19, 2008, the separate dockets were consolidated.

On July 25, 2007, Commission Utilities Division Staff ("Staff") filed its Staff Report in these matters recommending approval of the respective rate increases.

On October 24, 2008, the Commission Hearing Division issued its Recommended Opinion and Order ("ROO").

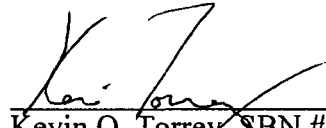

On October 30, 2008, the Company filed exceptions to the ROO, requesting that the Commission take into consideration a lease agreement not previously in the record.

Staff has not yet had an opportunity to conduct sufficient review of the lease agreement to recommend a specific treatment in the rate case. Before Staff can fully analyze the implications of the lease, Staff will need to issue a data request, review the response, and may need to conduct additional follow up as well.

1 Staff does not currently have enough time to conduct its investigation before this matter
2 proceeds to Open Meeting and a Commission decision.

3 WHEREFORE, Staff respectfully requests that the time clock in this matter be suspended
4 until Staff has had an opportunity to request and review the documentation necessary to evaluate the
5 Company's current proposal.

6 RESPECTFULLY SUBMITTED this 6th day of November, 2008.
